

Miss Anderson's Statement

SAN FRANCISCO—Miss Marian Anderson said: "I am not surprised at Mrs. Roosevelt's action, because she seemed to me to be one who really comprehends the meaning of democracy. I am shocked beyond words to be barred from the capital of my own country after having appeared in almost every other capital in the world."

"True Meaning of Democracy"

MRS. ELEANOR ROOSEVELT, wife of the President of the United States, (shown above) set a precedent for First Ladies of the Land, last week, when she resigned from the D. A. R. which barred Miss Marian Anderson, world's greatest woman singer, (inset) from singing in the Washington Constitutional Hall recently. Mrs. Roosevelt is the first wife of a President of the United States to openly oppose any challenge to true democracy. (Photos courtesy of Newark Ledger.)

FIRST LADY RESIGNS FROM D. A. R.; MISS ANDERSON TO GIVE FREE CONCERT

WASHINGTON—In one of the most signal actions against race prejudice as practiced against the Negro, Mrs. Eleanor Roosevelt, First Lady of the Land, resigned Monday from membership in the Daughters of American Revolution, because she did not believe in the policies of that organization in barring the appearance, in Constitutional Hall, of Marian Anderson, internationally famous singer, here last month.

3 Families Flee Prince Street Blaze

Three families were forced to flee from another of the Third Ward firetraps here Saturday night when flames swept a three-story dwelling at 218 Prince street.

The fire started on the second floor from a defective chimney. The "Queen Anne" and Alvin families fled to safety in the streets while firemen subdued the flames.

Democracy Insults 15,000,000 Negroes

The action of the Daughters of the American Revolution in barring Miss Marian Anderson from giving a recital in Constitutional Hall in Washington, D. C., is by any line of civic reasoning, downright foolish, ludicrous and vulgar... a disgrace to social decency, civic virtue, and fairplay.

This action reminds us again of the silly talk in this country about defending AMERICANISM against foreign UN-Americanisms. As though race prejudice, economic exploitations, class hatred were something outside American experience! As though fascist attitudes and complexes were not native to organizations like the D. A. R., to Bilbo and other Southern Tories and to thousands of our industrialists!

Hitler may be mad... but he's not fool, at least not as big a fool as some Americans. He knows the stuff of which fascism is made. It is already present in this country. All it needs is a little encouragement and leadership. He knows that similar forces call forth similar ISMS or beliefs, he knows also that he has allies in America, whom, if they do not know and own him publicly, he knows only too well.

The action of the D. A. R. and the Washington Board of Education in regard to Marian Anderson, should serve to call attention to the dangers WITHIN to the destruction of American liberties. To us the action of the D. A. R., if no less scandalous than that of the Washington

In a well-publicized two-day raid on rosters, the "killer drug," Federal narcotic agents and local police arrested nine Negroes and two whites and confiscated some \$2,500 worth of the sleep-producing drug in bulk and in reefer cigarettes in an effort to smash the dope ring here last Thursday and Friday. The raid was centered on the Third Ward, Newark's heavily populated Negro section.

Negro Survey Report Cites Racial Discrimination

In a 200 page report the New Jersey State Temporary Commission on the Condition of the Urban Colored Population, created by the 1938 Legislature with an appropriation of \$30,000, (of which about \$16,000 was used) revealed that the Negro, who makes up 5 per cent of the population of the state, due to discriminatory practices, makes up 12 per cent of the State's unemployed.

The finished report of the Negro Welfare Survey will be made to the Legislature on Monday. (This report was released to daily papers Wednesday.)

WATCH THE HERALD NEWS FOR MORE DETAILS ON THE SURVEY NEXT WEEK!!

1. Negroes are generally restricted in private industry to unskilled and semi-skilled occupations.
2. Because of this restriction the incomes of Negro workers have been especially hard hit by unemployment and loss of income.
3. Because of a severe rate unemployment and long confinement to low-paid jobs, Negro families generally suffer from extremely low incomes.
4. Residential segregation imposes additional suffering upon the Negro population.
5. Low income and poor housing conditions, together with restrictions of opportunity and heightening of ambition combine to produce in Negro neighborhoods a high rate of ill health, delinquency and crime.

WASHINGTON—In another far-reaching decision affecting the welfare of 15,000,000 Negroes, the United States Supreme Court on Monday set aside a death sentence pronounced upon Hugh Pierre of Lacey, Louisiana, holding his conviction on murder charges was unconstitutional because Negroes were barred from the Grand Jury which indicted him. The decision was unanimous.

Justice Hugo Black, who wrote the decision, stated: "Our examination of the evidence convinced us the bill of exceptions which he signed correctly stated that the petitioner (Pierre) did prove at the trial of said motion to quash that Negroes turned said indictment against as persons of color had been purposely excluded from the Grand Jury venire and panel which returned the indictment of the petitioner (Pierre) on account of their color and race."

PROSPECTUS

Progressive action is both the motive and objective of democracy. If not "truth," then the SPIRIT OF TRUTH will make men free and creative. They serve RACE or GROUP or SELF best who, like Roger Williams, would claim for themselves no right or privilege which is not granted to all men equally.

Our Churches Need
Business Methods

From time to time we chance to hear our neighbors discussing the damping influence on "true religion" of the way many of our churches handle their finances. During these discussions we give a sympathetic ear, if not an encouraging word of comment.

For we ourselves have had, times without number, the unholy experience of being suddenly and rudely turned from spiritual preoccupations to money-changing and collecting by ministers and church officials who appear to be much more interested in collecting money than in "saving souls."

Not that we do not realize the necessity of contributions to church coffers in order to keep the church going—For, after all, the church is an institution, and must meet its constitutional obligations.

The point we wish to make here is the rather obvious one, that both the spiritual life of the churches in our community and our meeting their institutional obligations should be helped if ministers and church officials would give more consideration to the financing methods of the better-managed and more successful conducted churches.

Our ministers are trained leaders, and during these times of great specialization, we should not expect them to be financial wizards or super businessmen. The finances of the church should be vested in a board of individuals who have proven to the community that they are sound businessmen.

There are certain definite fundamental laws of business which can not be ignored, even though the business may be a shoe shine stand, a manufacturing concern, a church or the United States Steel Corp. Regardless of the nature and kind of business, the total expenditures must be less than the cash income in order to show any sign of progress. If any of us try to operate on any other basis, we run the risk of financial embarrassment, loss, splits and failure.

Surely there is scarcely a church which does not have among its membership persons who are experienced in handling finances—men or women—with a knowledge of business methods. It seems to us that such persons should make it their business to look into this matter with the view to correcting one of the most awkward, embarrassing, and unnecessary errors of church life; with the view to improving the spiritual life of the church and placing the minister in his rightful position of spiritual advisor and leader of the community.

America's Most
Touchy Problem

Those who listened to Dr. Harry Emerson Fosdick's vesper hour Sunday afternoon over N.B.C. heard an eloquent and forceful address, February 19, decrying race prejudice and the regrettable example of such prejudice America, a democracy, offers to Hitler and Mussolini, the fascist butchers, Christian America, Dr. Fosdick declared, MUST set her house in order... MUST cease making a mockery of Christian and democratic ideals by her practice of racial segregation and discrimination.

It is ironic that Negroes in the United States, who are treated with such manifest contempt, should yet prove to be America's most persistent and touchy problem. It is not unusual, however, when one realizes the corrupting effect of race prejudice, that a group so easily adaptable and assimilable as the American "Negro" should be made a problem... be made to appear so difficult and, presumably, so IMPORTANT, in an ironic and inverted kind of way, because although Negroes are made out to be of no importance, they turn out to be, judging from the amount of misguided energy expended on them, the most important people in the United States.

We venture the opinion that if the amount of energy spent on oppressing the Negro in America were directed to grappling with the fundamental problems of our political, economic and social life, we could be a great deal nearer to a solution of the problems of unemployment, social insecurity and national demoralization.

It's the old point made by Booker T. Washington: "You can't keep a man down in a ditch without standing guard over him, and thereby wasting time and labor best directed along other channels."

We believe, with Dr. Fosdick, it is nothing short of scandalous that America should be guilty of furnishing Hitler and Mussolini the supreme model of racial persecution and discrimination.

There are so many things so much more important than oppressing Negroes... and infinitely more WORTHY.

The Reader Speaks

SUGGESTS BROAD PROGRAM

I am very much in accord with the organizing of a housewives' league and feel that it is greatly needed in the State, especially in Newark. I might suggest that it have a broad program.

I have had so much trouble in the school system in Newark with the many children I have raised for the State. The teachers seem to insist on placing as many colored children as possible in the schools for backward children.

I bought a large book on education and began teaching my children at home rather than

have them fail in school. One teacher even wanted me to stop teaching my children at home.

I am a taxpayer in this city and feel that although we should not fight for colored schools, we should fight for more colored teachers and a colored member of the Board of Education. I hope every housewife should join the league and fight for better rights in the schools and many other injustices confronting the race.

Respectfully yours,

MRS. ELLA DUMAS,
24 Richmond street.

EDITORIAL OF THE WEEK

(From the N. Y. Herald Tribune, Feb. 24, 1939.)

THE D. A. R. AND MISS ANDERSON

The Daughters of the American Revolution, by definition inherent in their name, are the descendants of those who fought to make this country free and to establish a government which would hold to certain ideals—ideals which seemed high at the time and which, come to think of it, still seem high.

That fact makes it all the more astonishing that the D. A. R. should have refused to permit Miss Marian Anderson, the distinguished Negro contralto, to give a recital in Constitutional Hall, Washington, on the evening of April 9.

It happens that the D. A. R. owns the hall and has the technical right to refuse its use to

any one it sees fit. However, there is little wonder that persons of many faiths and many occupations have been delighted to make a vigorous protest.

If such a snub to a Negro singer had occurred somewhere in the deep South, it might have been understandable, although just as regrettable. But to see such a thing in the nation's capital, with the Daughters of the American Revolution the chief culprit, is to use a word of extreme mildness, dismaying.

In the past, on occasion, the D. A. R. has stepped from the sublime to the ridiculous in the case of Miss Anderson this distinguished old American organization has outdone itself.

C.'s came through again with another grand de luxe affair by presenting that genial band leader, Herb Carmen, and his mighty kingdom of swing-ception, who played with heart and soul strictly in the groove and now have shore fans a-raving for more of the Carmen style.

...Yes, Herb is definitely swinging to the top... SHU-linging? Then we'll plug our HERALD-NEWS line to Keyport and buzz to you that we lapped Frank Lefroy Major Jr., leggin' a-plenty.

Worren Royce of Long Branch, George Fleming of Ashbury Park and Ted Griffin, whom we also spotted in the Pines; Harold Lincoln, Clyde Graham, Haskell Thompson, Mr. Macilly and Clad Thompson sporting for the Perth Amboy turf; Charles Williams of Elizabeth and DeLoye Junita and Johnnie Oakley of New Brunswick; Mrs. Hilda Reed, Pauline Pollard, Mr. and Mrs. Stanley Holmes, Mrs. and Mary Vincent, Mr. and Mrs. Booker Anderson, Harold Hopson with Roxy Alexander, Bernice "Boogy" Morgan, Mae Rhee, Lucy Bales, Johnnie Major, Joe Jackson, Florence Horton, Rose Blakey, Robert Clayton and Bartley Gordon of Long Branch; Luther Taylor, Thomas and Ethel Golden, Charlotte Shaw, Mr. and Mrs. Clarence Taylor, V. Mackerson, Doris Lawson, Gladys Jackson, Clara Bell, Wash Jackson, Yank Jackson, Pearl Robinson, Grace Bell, Clarence Suddam with Popeye, Doug Page, Ethel and Miss Mitchell, Mrs. Chas. Young, Franklin and Johnny Banks... And just for a moment, folks, we've just received word that Herb-Carmen and his Jump Rhythm Boys are red hot in Pinebrook, so we're now buzzing out with Mr. Kiah in company with Bernice Morgan, Mae Rhee and you'll call to the Greenbrier Country Club... Hold the line, please... Buzz-a-buzz, your Escapading spelling from the Club, and bless our soul if we haven't already spotted Ruth Moore, Gloria Davis and Ethel Lincoln of Perth Amboy, Lee Daniels of Dan's Tavern, Bobby Hill, Gomez Harris, Herman Jones, Joe Robinson and Oscar Miller struttin' their stuff for the Ashbury Park turf; Walter Jackson, Margaret Pollard, Le Neil Harris, Joe Fuller, Madeline with Les Wilson, Eleanor Hicks, posin' with Joe Fuller, Pauline, Marcelline, Danny and Allan Sears sporting for Fair Haven;

We regret that the name of Miss Ella Hinton was omitted last week in the list of guests at the graduation party honoring her cousin, Miss Martha Hinton. Ella is also a student at the Eastside High School and is popular among the "debs" here and in New York City.

Mayfairites Conspicuous by Absence

It wasn't there...that old-time feeling...too many familiar faces missing from the Howard-Lincoln basketball game last Wednesday, February 22, at the Orange Armory. Strang young jitterbug for most part swinging and swaying to Lucky Millinder's and Tiny Bradshaw's music, while many socialites stood on the sidelines wondering if they should (dance).

WEDS. AT MT. ZION CHURCH

MRS. ELOISE LEWIS

Historic Church Scene of Mason-Lewis Nuptials

Historic Mt. Zion Baptist Church, Thomas and Herman streets, was the setting for a pretty wedding Thursday night March 2nd, when lovely Eloise Mason, daughter of Mr. and Mrs. Carl Mason of Westfield, was married to Walter Lewis of Little street. The ceremony was performed by Rev. J. H. Burke, pastor, Milton Vanhever sang "I Love You Truly" accompanied on the organ by Miss Josephine King.

The bride who was given in marriage by her father, was a beautiful vision in her white satin princess gown. The fitted bodice had a high neck, with leg of mutton sleeves. Her veil three-quarter in the front fringed into yards and yards of tulle over her train, she carried a bouquet of white roses.

The maid of honor, Miss Julia Mason, wore teal blue net over a satin slip with dusky rose accessories and carried tallman roses. The bridesmaids, Carlene Mason, Rosella Mason, Doris Fultz, Stella Brance, Ruby Jones and Doris Lewis were garbed in teal blue net over a satin slip with dusky rose accessories and carried tallman roses and sweet peas.

Little Audrey Mason acted as flower girl walking down the aisle in a long gown of white satin, strewn rose petals here and there. Embury Strong was ring bearer, dressed in a white satin full dress. Mrs. Mary Mason, mother of the bride, wore black velvet.

Roger Carey of Bloomfield was best man. Uahena were Thomas Bullock, James Wilkerson, Leon and Synder, Frank Patterson, Louis Knox and John Eubanks.

The reception was held at the church immediately following the ceremony. The couple will reside at 283 North Ninth Street.

Many affairs were given in compliment to the former Eloise Mason. On February 25 the choir of Mt. Zion Baptist gave a miscellaneous shower at the home of Mrs. Rosy Green, 11 Scott Street. Those present were: Josephine King, Addie Patterson, Helen Tyler, Laura Weaver, Etta Craig, Mrs. Jacob Walker, Miss J. Cox, Mrs. Broadnax, Mrs. L. Hampton John Bradford, William Tyler, Mr. Barlow, Robert Tyler, Mr. Burton, Mr. Cheek and John Walker.

Sally's Chatterings

That strange intuition which makes women sometimes so wise, name to your columnist's rescue the other SATURDAY...So, fortified with a NEW SPRING BONNET of black straw trimmed with chartreuse ribbon, astraining at the back and a good deal of veil, we trooped down to the beautiful old BURLFORD manse, where DAISY MURFORD played hostess for the day in a bridal shower to vivacious, but at that time somewhat subdued, RUTH HURD, bride-elect of ELZA MINOR. Here's where the intention came into play: There were spring bonnets galore...LUCY HARRINGTON wore a cute little chapeau of navy straw with oodles of veiling tied in the back; LETTIE BROWN in wine colored straw with yards of yards of veiling shades of blue-colored veiling tied under the chin; SYBIL ARCHAMBEAU in the cutest black straw; LILLIAN HUFF in black straw with riotous spring flowers atop; BESSIE ABRAMS chose to come with locks unadorned, and what GLADYS B. FRANCIS lacked in spring bonnet was made up in the pretty black and white polka dot frock; JAUNEY DUCK-WORTH, RUBERTA ROGERS (pledged to Lambda Kappa Mu Sorority), demure and meek, attended our needs and brought along for the future bride consisting of a hand-painted serving tray by GLADYS BLACK SHERMAN, which was listed among the A-1 gifts.

"OH, WHAT SHALL WE WEAR...OH, WHAT SHALL WE WEAR TO THE FAIR?" was the plaintive cry on all sides to her when saviors of ALPHA CHAPTER, LAMBDA KAPPA MU SORORITY, received a FORMAL BID FROM THE OFFICIALS OF THE WORLD'S FAIR to ACT AS HOSTESSES and not one lassie turned the invite down. So we are adorning those swanky NYAWK and Jersey stores will be swamped with orders for spring and summer wear, and especially those walking around built for comfort as well as charm...Let's see, from Jersey there's DAISY MURFORD, LETTIE BROWN and your charming columnist from Gotham there's CLARA WELLS, GRACE GILES STRANGE, MABELLE HOPKINS, FLORENCE K. NORMAN, THRESE PRATT, KATHERINE SYMINGTON, COBRINE STEELE, AMELIA SMITH, MARQUETTE HENRY, FRANCES ANDERSON. The regrettable that so many business activities hindered ROSAMUND STEWART SAUNDERS from making the grade as pledge of Lambda Kappa Mu, and "its" stance that GERTRUDE STITH couldn't stand the rat and flunked out as a pledge. After the April substituted plans for the TYPING CONTEST to be held in APRIL with various stellar attractions were completed. The contest bids fair to top last year's and any Jersey lass interested might contact your columnist.

Clippings from the Clubs

The University Club of North Jersey appeared in a program at the B. E. P. C. services of Bethany Baptist Church last Sunday. The theme of the evening was "Looking At Politics Through The Christian Eye," which was efficiently elaborated on by John Pullins and Richard Sowell.

Musical numbers on the program were rendered by Miss Bertha Overby, piano selection; The University Quartette, composed of Richard Sowell, Boyd May, Hyland Reid and Vero May. Guest artist for the day was Mr. Walter Mooley of the Eva Jessye Choir who gave a very excellent rendition of "The Lord Is My Light." Mr. Mooley recently played in a short run of "Three Men On A Horse," and is now rehearsing for Gilbert and Sullivan's "The Mikado," which is to open soon on Broadway.

The Midnight Keys sponsored a very successful card party and raffle Saturday evening, Feb. 18, at the Reindeer Restaurant, which was largely attended. A gala time was had by all. The club wishes to extend many thanks to all club and friends who aided in making the affair a success. Edith Chambers is president and Isabelle Cary is publicity manager.

LOUIS-GALENTO FIGHT SET FOR JUNE

Thompson Equals Record

NEW YORK—Colored track and field stars walked off with their share of the honors in the National A. A. U. meet held at Madison Square Garden Saturday night. Probably the outstanding performance was turned in by Herbert Thompson, Jersey City lad, who equaled the world's record in the 60-yard dash.

Thompson was pushed hard all the way by Ben Johnson and Eugene Peacock but succeeded in maintaining his domination over the country's best dash men.

John Borian continued his unbroken run of victories in his favorite event, the 1,000-meter event. The former Va. State star made a show of his field and won handsily by 20 yards in 2 minutes, 28.8 seconds.

Other stars to compete were Mel Walker, who copped the high jump; Ed Gordon, who took second in the broad jump; and William Watson, Michigan University's one-man track team, who was third in the broad jump and fourth in the shot put. Lloyd Thompson of Xavier was fourth in the high jump.

Bordentown Divide Series

BORDENTOWN—The Manual Training School varsity basketball team lost its second game in nine starts this season last Friday evening at the Red Bank V. M. C. A. The "Y" team defeated Bordentown by 37-21 in a game that was lacking in excitement until the third quarter.

Green led the scoring for the "Y" with 15 points. Powell, back in the game for Bordentown after an absence of two weeks, led his team in scoring with 11 points. Bordentown's girls' team won over the "Y" girls by a score of 37-17. Lillian Butler, originally from Red Bank, scored 22 points for Bordentown. This was the girls' fourth victory in five starts this season.

Federal Inspection Of the Company "A"

LINCOLN UNIVERSITY—Ernie Young, former All State center of Trenton High School, is playing brilliant basketball in his first year as a member of the Lion's basketball team. Young has starred in every game the team has played and promises to become one of the greatest players to ever wear the Orange and Blue on the court.

Last week against Morgan he an up 14 points to lead both teams in scoring and he has yet to hit his full stride. Young is very slick and spotted by Monk Irving of Orange in causing opposing teams no end of worry trying to stop their scoring spree.

BORDENTOWN WINS

The Manual Training School Varsity Five won another MSA victory at Bordentown last Saturday evening by defeating Delaware State College by 61-32.

Lincoln Nips Howard In Nip and Tuck N. Y. Battle

NEW YORK—In one of the most thrilling basketball games of the year, Lincoln University defeated Howard here at the Renaissance Casino, Friday night, 37-36. The score at the end of the half was 19-8 in favor of Lincoln and the Lions looked like champions as they left the floor for the intermission.

Coach Burr must have given his team one of those old time pep talks for the Lions came back fighting like tigers and before 10 minutes had elapsed the teams were tied 24-24. In scoring these 16 points, Howard put on an exhibition of shooting seldom seen on any court. From this point on, it was one of those nip and tuck affairs with the lead switching back and forth until Honey dropped in what proved to be the pay-off basket with less than a minute to play.

Brud Holland, All-American football star of Cornell, received a rousing reception as he threw the first ball of the game. Bud Singh, Syracuse football and basketball star, was likewise acclaimed as he threw up the ball beginning the second half. Singh ran over and enthusiastically patting each Howard player on the back at the end of the game.

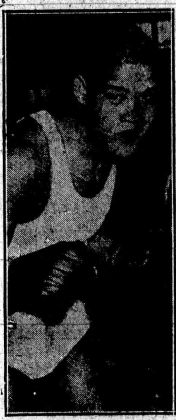

Howard's players were visibly heartbroken as they left the floor, but in the eyes of the thousands wild cheering fans, they were real heroes in defeat.

Court Street Varsity Swamp Caldwell Quintet, 72-26

Ending the first half of the basketball season in a blaze of glory, the "Varsity Five Senior Team", representing the Court Street Y.M.C.A., started the second half with a victory over the "High Club" of Caldwell by a score of 72 to 26.

Schedule Meeting Is Set For Philly

PHILADELPHIA—The schedule committee of the league will meet in Philadelphia Sunday to draw up the schedule for the year. The committee is composed of Marney, Ed Gottlieb and Cum Posey. The league will play through the winter season and the schedule will not be divided into two parts as in former years. Games with the American League will be played after July 4, when that league completes the first half of its schedule.

JOE LOUIS

Bout Set for New York City

MIAMI, Fla.—The most ballyhooed, unconditioned and fistie force to ever perform in the prize ring will be given a chance to lift the heavy weight crown from the brow of Joe Louis in New York the latter part of June. Two Ton Tony Galento, the Orange nightstick, beer-barrel, rooly polly will get his long awaited chance to sample the punches of the Brown Bomber, it was announced this week as he signed for the title bout to be promoted by Mike Jacobs.

Given one of the most sensational build-ups since the rise of Primo Camarra to the title, Galento has been knocking over a crop of heavyweights of questionable ability to establish himself as Number 1 challenger.

The trick worked and visitors to the World's Fair won't have to go down the midway to see one of the world's greatest freaks. They will be able to see him on view one hot night in June at the Yankee Stadium being belted into the land of nod by the best heavyweight of all times.

Other than witnessing the pleasure of seeing Joe land one of his lethal rights to the over-sized tummy of Galento, the bout offers little else in the way of fistie thrills. Galento is the possessor of a hard left, but if John Henry Lewis could not keep Joe off with his great left jab, it is hard to picture Tony flattening the Bomber.

Morgan Drops Game to Union

BALTIMORE—While Morgan placed her defenses to stop Wiley Campbell, Union's high scoring forward, Glover and Fraser, Union's co guards, scored 23 and 17 points respectively to lead their team to a 74-48 victory over Morgan College at the New Albert Auditorium on the evening of Washington's Birthday. Even under such close surveillance, Captain Campbell accounted for eleven of his team's total.

SPORT CHIPS

Mid-term examinations at Lincoln University caused some uneasy moments for some of the Jersey boys who are prominent in sports at that institution. Moss Smith, former Columbia High star, ran into scholastic trouble and withdrew from the school. It was learned that Mike Roman and Shade just did get by and Hobson, Plainfield lad, dropped out of school this year because of study trouble. The boys must "get their stuff" if they want to stay in school, much less play sports. Morty Irving of Orange, being a great athlete, is also one of the finest students in the school. Ernie Young had some trouble with studies in high school, but came through his mid-year exams in fine shape. Hoax Brown, star basketball player on New Brunswick High, will be at Lincoln next year if present plans of the alumni of that school go through. Hoax is rated the best player in the State by white sports writers. Boxing came back with a bang in Rockland Palace last week with Pedro Montanez letting the customers go home early. Jim Hoff scored a first-round layo. Jim Jeffries, local light heavyweight, turned down an offer to fight Donofrio, the guy who was recently flattened by Maurice Strickland at the Laurel Garden in one round. Jim was offered the bout by Atlantic City promoters but the price was not right, so Jim told the boys he was not fighting for exercise. smart boy, that Jeffries, and one of the best prospects in the ring today. What puzzles us is why he is not used at the Laurel Garden, or don't they want up-and-coming fighters at the local club, or maybe the hard-punching and sincere Jeffries does not fit into their plans. He is a pleasing fighter to watch, but the boy has brains plus ability and would not be guilty of entering the ring with hand cuffs, and most of the bums parading before the public today insist on picking their toes; this is true especially of the "name" fighters. A good popular colored fighter would do as much for the fight game locally as Joe Louis has done on a national scale, but Newark promoters seem averse to building up a local colored fighter into a real attraction. In Morris Parker and Jim Jeffries they have two boys that just seem to have what it takes to click with the fight public, but both boys have to seek bouts elsewhere. Parker was fortunate to get a bout at the Garden and made good on it big way. Jeffries should hit the big time real soon, though the boy is young and should not be rushed too fast. Rumor has it that a holdout war is in prospect for owners of the Negro National League. When contract time comes around, big salaries in South America are said to have caused the players to decide to make some real demands on the moguls, but the owners will probably win most of the boys over to their way of thinking in the end, they always do in the major league, and this league is the same as the rest in that respect.

Eagles to Enter Spring Training in Florida on March 23rd; 8 Hurlers

Manager Dick Lundy and his battery men will leave for training camp about March 23, according to Abraham Manley, owner of Newark's representatives in the Negro National League. The popular manager will be joined by Joe Brown, catcher, and will pick up players en route to Daytona Beach, Florida, where the Eagles will train.

Leon Day, ace hurler, who whose arm rests the team's pennant hopes, will be picked up in Baltimore, while Bob Evans will join the party in Richmond and James Brown, a sensational rookie hurler, will meet the group in North Carolina. The rest of the pitchers will go directly from home to camp.

EIGHT PITCHERS

These will include Jim Hill, sensational rookie last year, Wright and a newcomer named Buffet of

Miami, making a total of eight pitchers who will be in camp. Manley was especially hopeful of James Brown making the grade. Brown struck out 14 of the Back Yankees last year in an exhibition game in Winston-Salem. He is a right-hander, standing about 5 feet 11 inches and is about 20 years old. He is reported to have one of the fastest balls in the game and has had quite some experience despite his youth.
